Subject: Draft agenda for Oct. 20 meeting with FLMS
[EPAFLMSMtgAgenda10.20.15.docx](#)

Hi all,

Please see attached draft agenda, consistent with our other stakeholder meetings. We are only meeting for an hour, but that should be enough time. Our meeting with the environmental groups ended early (less than 1 1/2 hours), and some of the FLMS were at that meeting too. But, as Cindy said, we should be consistent with our messages and outreach materials.

Thanks,

Jody
